

betterfill[®] collagen

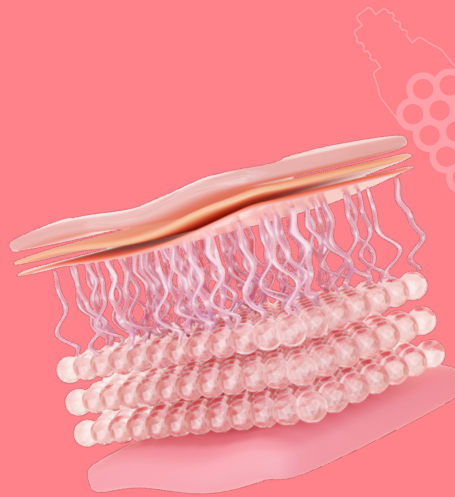

PDRN Skin Matrix Booster

RIBESKIN betterfill Collagen uses 100% Human-Identical Collagen to deliver ECM + PDRN Synergy Regeneration. Its Recombinant Collagen Type III helps strengthen the structural foundation of skin while PDRN supports repair and renewal. This synergistic approach improves elasticity and hydration, creating an optimal environment for long-lasting skin renewal and youthful vitality.

Vial 3 mL x 5 EA

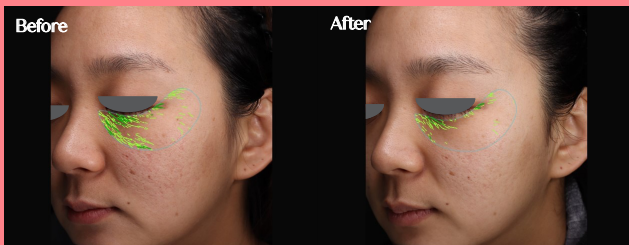

Collagen 9,000 ppm
PDRN 5,000 ppm
Hyaluronic Acid

Shooter 3 mL x 4 EA

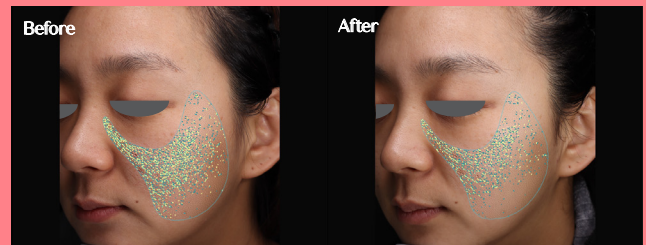

Collagen 9,000 ppm
PDRN 5,000 ppm
